

## **Logging Out**

### **Slide 1**

To log out of your Blackboard *course*, click on the link labeled “Log out” in the upper right hand corner of the course content page.

### **Slide 2**

You will be returned to the SFCC Online Classes screen.

Click on the X in the upper right hand corner to close out of the Blackboard Learning System program.

### **Slide 3**

If instead, you wish to log out of the current blackboard course you are working in and change to another blackboard course in which you are enrolled, click on the link titled “My SFCC Online” in the upper right hand corner of the content page.

### **Slide 4**

This will return you to the Course List from which you can make another selection. When finished in this course, exit from the course and the Blackboard program as described previously.
